

## From Our Home to Yours

# Merry Christmas and Happy New Year!

Welcome, we have encountered so many magic moments in December. From enjoying a trip to Whitehall Garden Centre, having Frome Town Band playing traditional Christmas carols, to therapy animal visits and a show by Punch and Judy!

Our team fully embraced the festive spirit by taking part in National Christmas Jumper Day, and those supporting on Christmas Day went above and beyond to ensure the day felt truly special for all.

Over Christmas and New Year, our teams will continue working as normal, ready to support people moving safely out of hospital.

### **Aspirations for 2026**

As we move into 2026 at Frome Nursing Home, our focus is to strengthen our relationships within the community even more through our upcoming events and as a team, we remain excited for our in-house training programmes throughout the year continuing to invest in our team.

We hope you've had a lovely Christmas, and that you have a Happy New Year! Sherin Anup, Registered Home Manager
